

# Risk Warning & Disclosure

**Contracts for Difference ('CFDs') are complex financial products that are traded on margin. Margined trades on CFDs carry a high degree of risk and may expose the investor to substantial losses as well as gains. The investor should carefully consider whether this activity is appropriate for his needs, financial resources, and personal circumstances.**

Please ensure you read through our terms and conditions of use carefully before investing in UINVEX's leveraged products. You should be aware that among the features of the service a broad range of financial information is displayed on the site and may quickly become unreliable or change for various reasons such as the volatility of financial markets.
